

**NEW ENGLAND AQUARIUM DIVE CLUB
ANNUAL TROPICAL FISH RESCUE
AND BBQ
SATURDAY , SEPTEMBER 12, 2009
9:30 AM TO 4:30 PM
FORT WETHERILL, JAMESTOWN, RI**

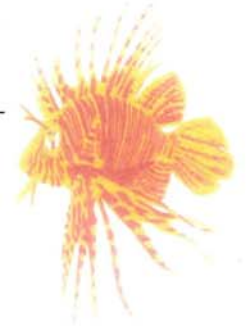

This is a great family event, especially for the kids:.
We will be seining; which is pulling a fish net through shallow water,
up onto the beach, and discover all sorts of marine life, letting the children
help gather the fish collected in the net.

There will be a large touch tank set up, for all to enjoy, with lobsters,
crabs, starfish, etc

As we gather our catch, let our experts teach you about the tropical fish
you can observe in our on-site holding aquariums

There will be organized regular diving as well as designated tropical
collecting areas. Never caught tropical fish before? Let our experts show
you how. Extra collecting nets will be available.

Tom Bergendahl will have kayaks available to use and offers an
“introduction to kayaking or kayak diving”.

There will also be volleyball, music and lots of raffles.

GREAT VARIETY OF FOOD AND DRINKS WILL BE AVAILABLE

**ALL ARE WELCOME--JOIN US FOR A
FUN FILLED DAY**

ALL PROCEEDS WILL BENEFIT THE COTTING SCHOOL
